- 37%
Use of electric scooters could set restrictions for car drivers

- Speed limit reduced to 30 km/h
- Priority to pedestrians, cyclists, scooters
Rules for scooter users coming Spring 2020

- From the age of 14.
- Penalties the same as for cyclists.
- The use of helmet is recommended.
- Lights must be used.
- Use of road or sidewalk is not strictly defined.
- Speed limit not set.
Mobility shift from private to public transport
Integrated public transport solutions

- Bridging of public transport and railway stops.
- Convenient connections between train and bus.
- Facilitate the integration of the railway into the Riga-Pieriga transport system.
- Use the reconstruction of Riga Central Station to create a modern urban and suburban transport hub.
Use of electric cars will increase
Bonuses for users of electric cars

- No vehicle tax.
- Reduced company’s vehicle tax.
- Registration and special purpose license plates free of charge.
- Public transportation lines can be used.
- Several parking spaces in the center of Riga and Liepaja free of charge.
- No charge for entering Jurmala.
- Subsidized tariff on national charging network.
Спасибо и желаю Вам прекрасного дня!
